**BGMU CELEBRATING NATIONAL DRINKING WATER WEEK
WITH LOCAL EVENTS**

Bowling Green Municipal Utilities will be celebrating National Drinking Water Week May 4-10. Monday through Thursday, customers may register for \$100 gift cards at our main office at 801 Center Street after correctly answering trivia questions about water. Three winners will be selected at random and notified on Friday, May 9.

Various school groups will be touring our water treatment plant during the week. All 4th grade students in our service territory were invited to participate in our Water Week poster contest with prizes being awarded in mid-May.

Throughout the week, BGMU representatives will be at local libraries and Barnes & Noble for story time and water experiments with school-age children. The public is invited to attend all reading events.

- Monday, May 5 – Bob Kirby Branch – 3:45 pm for K-6th graders
- Thursday, May 8 – Bob Kirby Branch – 2 pm for 3-5 year olds
- Thursday, May 8 – Graham Drive Branch – 3:30 pm for after school experiments
- Friday, May 9 – Barnes & Noble – 11:30 am for infants and toddlers story time

Thursday, May 8 from 11:00 am to 1:00 pm, join us for lunch on our front lawn. We'll be serving pizza, cake and tap water and giving away plastic, reusable cups. All customers are welcome to attend. Additionally, representatives from WKU Department of Environment, Health & Safety will be on site to distribute information about their services.
