### **BGMU WATER TOWERS TO BE PAINTED**

(Bowling Green, Ky.) BGMU's historic Red White & Blue water tower on Reservoir Hill and Cave Mill Road water tower will both undergo new paint jobs beginning August 24. Horizon Brothers Painting, located in Howell, Michigan, has been contracted to do the work.

Constructed in 1966, the Red White & Blue water tower stores 1 million gallons of water. It will be stripped to bare metal and primed before being repainted with the same patriotic design. The Cave Mill Road water tower was constructed in 1980 and also stores 1 million gallons.

Work is scheduled for completion in early December 2017. For updates, please visit our social media pages.
